## Message from CMSA Madison Area Chapter President:

This year's National Case Management Week is **Oct. 11 – 17** – are you ready?

Let's bring recognition to our commitment to improving health care and as case managers be encouraged to educate others about what we do in order to increase awareness about the industry. We want to let the world know about case managers – who we are, what we do, and why we are important.

How can we do this? For starters, by attending the October program, come join us and have a slice of our celebration cake and enter a drawing for one of the beautiful fall mums.

I would like to personally express my thanks and appreciation to all the case managers for their dedication and active voice with the lives you touch. Thank you, you are appreciated!

### Tidbits –

- For 2015 our meals will be served plated by the wait staff and we have to provide the Sheraton with the number of meals needed for the evening.
- If you have registered for a program and find that you cannot attend, please e-mail the website ([info@cmsamadisonwi.com](mailto:info@cmsamadisonwi.com)) at least 3 days in advance so that we can provide the facility with a final count for the attendance. If you have registered for the event it is the Chapter's expectation that you will be attending. This is important to help the facility with the planning for the number of meals. If you register for the program and do not attend the Chapter /sponsor is still paying for your meal.
- Do you have ideas or sponsors for meetings? Please share with one of the board members or email us at [info@cmsamadisonwi.com](mailto:info@cmsamadisonwi.com)
- Please consider how you can help keep the CMSA Madison chapter moving forward. Volunteer in 2015!
